

BUILDING SOUTHERN FUTURES

Engaged Scholarly Research Application

Write a proposal answering the application questions listed below and save your application as a PDF or Word Document. Answers should be within the listed page limits using single-spaced, 12-point font, with 1-inch margins.

1. ENGAGED SCHOLARLY RESEARCH PROPOSAL

In approximately 2 pages, please respond to the following questions. Please answer **ALL** the questions as they relate to your project. Proposals that do not answer all questions will not be considered.

1. Please give us your contact information (name, email, phone, major/minor, affiliation with Women's Studies).
2. What is your research question, and why is this an important question for building Southern Intersectional Futures?
3. How has your course work within IWS (or with IWS-affiliated faculty) prepared you to answer this question (please specifically address whether you have taken WMST 4011 or have plans to take it)?
4. What is your research design (methodology)? In other words, how will you go about answering your question and why is this method the best fit for your project?
5. How will you communicate the findings of your research?
6. Will you be working with a community partner? If so, describe:
 - a. Who are you working with and what is their mission?
 - b. What will their specific role be in the project?
 - c. Do you already have an existing relationship with that community partner, such as work or volunteering experience?
 - d. Has this partner already agreed to collaborate on this project? If not, when do you anticipate having confirmation?
7. How will this funding support your ability to conduct this research?
8. Has your mentor reviewed and approved your proposal? (Mentors MUST sign off on all proposals prior to submission).

2. ITEMIZED BUDGET

In 1 page, please provide an itemized budget for any direct research expenses. (This guide gives some useful examples: <https://undergradresearch.wustl.edu/creating-budget>)

Budget Overview (Give a narrative summary of what you are using the money for):

Itemized Table (you can insert or delete rows by control-clicking or right-clicking on the table and going to 'insert' or 'delete':
